ORDER

-----X

PITMAN, United States Magistrate Judge:

A conference having been held on October 25, 2010 during which a discovery issue was discussed, for the reasons stated on the record in open court, it is hereby ORDERED that:

1. Defendants' motion to compel discovery is granted, and plaintiffs are directed to produce the 21 categories of documents requested by Goldman Sachs in its document request dated August 19, 2010. Because the merits of the named plaintiffs' claims will be at issue regardless of the outcome of the class

certification motion, I see no reason why these
discovery requests should be deferred.

Dated: New York, New York
October 26, 2010

SO ORDERED

HENRY PITMAN
United States Magistrate Judge
